Flamingo Fling

A note from Edythe Dirks, leader of the social committee.

If there is a core group of people who would like to continue this gathering, please let me know. The idea is for guests to gather in a driveway each week. And a host for the next week needs to volunteer. The new host takes the flamingos with them for the following week, and then the cycle repeats itself.

The idea is to have a self-sustaining group where no one person needs to coordinate a weekly event and be responsible for flamingo set up and removal. This is up to you neighbors, to continue the tradition if you're interested. I'm hoping to begin our move process in September. I will happily send out blanket weekly emails to the SAE social members advising gathering place until I move. St Andrews East Social Committee will also need a new Treasurer when I move. Failure to have a new Treasurer step forward will force me to close out the social committee bank account and forward the "party" funds to Argus Management for administration.

Deedee Haplerin has graciously agreed to take over the SAE social committee email administration. The email address will not change. Please encourage your neighbors to be on our mailing list. Requests may be sent to SAESocialComittee@gmail.com
